### Consulting Foresters & Wildlife Biologists In Washtenaw County and Surrounding Areas

Revised 4/2009

These consultants have a two or four year degree in forestry or wildlife management. The foresters registered with the State of Michigan have a number following their name. It is suggested that you check with more than one consultant and request references before hiring an individual, as you would before hiring any professional. *Inclusion in this list does not mean endorsement, but is provided as a service to landowners. This list is not all-inclusive as there may be other consultants in your area.*
