Refund Policy

Plants will be delivered in good condition; any issues should be reported within a week of pick-up.
The WCCD does not guarantee survival of plants. Customer assumes liability once the order is picked up.
Orders cancelled 14 days prior to pick up date will receive a full refund. No refunds will be given on orders not picked up.
If unable to pick up an order, the customer is responsible for making other arrangements.

Please contact our Resource Coordinator for questions: (734) 302-8713, orders@washtenawcd.org

Tree Information & Planting

Care must be taken when selecting fall planting sites and soils for the best winter survival. Avoid planting in low areas that may collect water and freeze, damaging trees. Limit planting in heavier clay soils because they have a greater tendency to freeze and thaw, causing trees to be heaved out of the ground. Use mulch to help moderate soil temperatures and reduce heaving.

Pictures of trees and species cultural information are available on the website: store.washtenawcd.org
