

## No-Till Grass Drill Rental Contract

The Truax FLEX-II 88 No-Till Grass Drill is designed to plant grasses and legumes on a variety of site conditions for agricultural conservation and native restoration projects.

For rental requests, questions, or schedule changes notify:

MAEAP Technician - Paul Buzzard

(313) 282 0786 (cell), [paul@washtenawcd.org](mailto:paul@washtenawcd.org)

### TRUAX DRILL RENTAL TERMS

1. Renter shall agree to **read and operate Truax Drill according to the Truax operator's manual** (link below) and the WCCD's staff's instructions. The operator is responsible for calibrating the settings for the desired population.
2. DO NOT reset the meter under any circumstances. If the meter has been tampered with you will be charged for 80 acres of use per day of having the equipment.
3. **Operating speed of planter must not exceed 5.5 mph.**
4. Transportation speed on road **transport must not exceed 20 mph** and the drill tail lights must be used. The drill has the slow-moving vehicle (SMV) emblem, it is against Michigan law to exceed this speed. Renter should prioritize paved routes as much as possible to avoid damage caused by uneven dirt roads.
5. Renter's transportation vehicle must be rated to safely tow the drill (3500 lbs.) and have appropriate hitch (see photo below for example).
  - a. Hydraulic cylinders must have the transport channel locks installed on during transportation.
6. **No fertilizers or coated seeds shall be used in drill seed boxes.** Renter must provide a seed source details and a picture (or copy of) the receipt to Owner for approval prior to drill usage.
7. Drill usage requirements:
  - a. **Follow all safety precautions** outlined in the operator's manual (section 10).
  - b. Renters should calibrate following manual and according to needs, but not alter, adjustm or repair the drill without first confirming with the Owner.
  - c. Add the cylinder stops (provided) to the two rephasing cylinders to limit weight on discs. DO NOT dig a furrow with the no-till blades.
  - d. DO NOT back up the drill when the openers are in planting position.
  - e. DO NOT use the drill in the presence of rocks, stumps, or other potentially damaging materials.
8. After drill usage:
  - a. Seed boxes & hoppers must be cleared of seed and vacuumed immediately after use.
  - b. Relieve pressure from hydraulic systems before disconnecting hydraulic lines.
  - c. Use synthetic grease applicator (provided by WCCD) every 4 hours on all the zirks. Ideally immediately after drill usage.
9. The drill will be picked up and returned on the confirmed rental dates, regardless of weather and unpreventable circumstances. Pick-up and Drop-off will be at the WCCD office, 705 N. Zeeb Rd. Ann Arbor, MI 48103, unless otherwise specified.
10. Equipment will not be transferred to another individual without the permission of the Washtenaw County Conservation District.
11. **Rental Fee:** Renter agrees to pay: \$10 per acre, a minimum fee of \$150 will be charged.
12. **Out of County Fee:** If the equipment is transported outside of Washtenaw County, Renter agrees to pay \$3 per mile that the equipment traveled outside of the county.
13. **Cleaning fee:** All equipment shall be in clean, working order when it is picked up and upon completion of planting. Equipment will be returned in the same condition it is received. If these stipulations are not met, the renter will be charged a \$100 clean-up fee.
14. **Late fee:** Length of possession of the drill, by any renter, will be determined by the WCCD staff. In cases of bad weather or break-down prohibiting use, contact the WCCD technician as soon as possible. A fee of \$50 for the first

day and \$100 each additional day will be charged for not adhering to rental schedule. This is an important step to keeping the equipment moving during planting season.

- 15. **Late Payment fee:** A late fee of \$25 per month will be charged on all bills not paid within 60 days of billing. If balances are not paid in full, use for next planting season will be withheld until prior bill is paid.
- 16. **Damage fees:** All damages of the Equipment, regardless of cause, including misuse or negligence on the part of the Renter will be paid for by the Renter. Upon receiving the Equipment, the Renter must check it over before using. If damage is seen, the Owner should be called immediately so someone can check its condition. This will protect the Renter from being charged for the damage.

I, the undersigned, agree to use the Washtenaw County Conservation District's no-till grass drill as outlined in the above Rental Terms and the "Equipment Rental Agreement" (provided separately):

Renter Name: \_\_\_\_\_ Date/s Requested: \_\_\_\_\_
