WILDLIFE CONFLICT CONTRACTORS

Updated 08/2021

*This list is not comprehensive and is for INFORMATION ONLY: no endorsement or reliability is implied by inclusion and no discrimination is intended by omission. It is suggested that you check with more than one contractor and request references before hiring. Additions and corrections are encouraged and should be directed to WCCD by phone or email (info@washtenawcd.org). When selecting a contractor, be sure they have the proper state agency-issued licenses and [permits](#) and are fully insured to include personal and property liability insurance, as well as workers' compensation. Some businesses are also members of the [National Wildlife Control Operators Association \(NWCOA\)](#). Normal hunting regulations apply – refer to [MDNR for hunting information](#). It is **illegal to keep/rehabilitate wildlife** unless you are a certified wildlife rehabilitator.*
